About MASA GROUP

Masa Group is a diversified Egyptian industrial and trading group with a strong foundation in wheat milling, flour production, and food commodities. With years of experience in supplying high-quality raw materials and finished products, Masa Group serves domestic and international markets with a focus on quality, reliability, and long-term partnerships. Masa Group operates across the food value chain, ensuring full control over raw material sourcing, quality assurance, and supply consistency.

Le groupe Masa est un groupe égyptien de premier plan spécialisé dans la mouture du blé, la production de farine et le commerce international. Notre mission est de fournir une farine de blé de haute qualité qui permet aux boulangeries, aux fabricants de produits alimentaires et aux distributeurs du monde entier de se développer. Notre vision est de devenir un partenaire mondial de confiance dans l'industrie de la farine et des céréales.

Guidés par nos valeurs fondamentales que sont la qualité, la cohérence, l'innovation et l'intégrité, nous garantissons l'excellence de chaque produit que nous livrons.
